Step into elevated seating with the FourReal® 105 – a foldable high table that stands taller than its counterpart, the FourReal® 90. This dynamic counter table offers more height, introducing a fresh perspective to dynamic and casual seating scenarios. Its simple yet refined design, enriched with subtle details inspired by Scandinavian heritage, creates a versatile solution for a variety of different areas. Easily foldable by a single person and equipped with two integrated castors, the FourReal® 105 effortlessly combines convenience with style, allowing you to adapt your space to suit your evolving needs.

WARRANTY

Ocee & Four Design provides a 5-year warranty on all products within our price list. This warranty covers breakage and damage of products occurring because of deficient craftsmanship performance under normal use. The warranty shall lapse if the product shows signs of mishandling abuse or other physical damage. The warranty does not cover those parts of the product which are exposed to abrasion during use.

INSTRUCTIONS

Assembly instructions can be found at our website.

MAINTENANCE

Refer to our [Maintenance Guide](#) ↗

DISASSEMBLY & RECYCLING

Products should be disassembled and separated into their components and materials before recycling. Most products can be disassembled using hand tools. Metal parts are commonly

recycled. Powder coated frames are treated with a paint classified as not dangerous according to directive 1999/45/EF. Wood can either be recycled or incinerated. Plastic shells can be recycled. Upholstery and veneer shells are not recyclable but can be disposed of through incineration. Processes for recycling vary so check with your waste management organisation.
