

Absolute

Mesh Back Task Chair Specification Sheet

Absolute

🕒 5-10 working days
Subject to fabric availability

🏆 5 year warranty

Absolute comfort

With its distinctive curved back and stylish detailing, Absolute is ergonomically designed for maximum comfort. The Mesh and Upholstered task chairs are offered with a range of options to suit individual needs.

The following pages will give you all the information you need to build your perfect Absolute chair.

All the resources

As you would expect from Ocee Design, the Absolute range is supported with **BIM/Revit, SketchUp, 2D and 3D CAD files**, high resolution **imagery**, **operating instructions** and **specification sheets**.

Everything you need is on our website www.oceedesign.com

Ocee's **free space planning** service is available to help you plan your project.

Absolute Service

At Ocee Design we believe in offering the best and most comprehensive service possible to our customers, that is why we provide much more than just a brilliant chair.

Ergonomic experts

Ocee Design works with a team of independent, highly qualified ergonomists to offer on-line and on-site workstation assessment services.

DSE assessor training programmes

Working with our independent experts, Ocee Design offers DSE (Display Screen Equipment) assessor training as well as Foundation courses in:

- Wellbeing in the workplace
- Postural awareness to reduce musculoskeletal disorders
- Conducting risk assessments
- Walk through workstation set-up and training for end users
- Workstation set-up for end users
- Ergonomics and space planning

RIBA Accredited CPD

Ocee Design provides fully accredited RIBA (Royal Institute of British Architects) Continuing Professional Development presentations on:

- Ergonomics and the evolution of the workplace
- Wellbeing and productivity at work
- Musculoskeletal symptoms in office environments

Promotional Material

We offer full promotional materials including high resolution photography, brochures and example digital marketing concepts.

Space planning

Ocee Design's experienced Space Planning team can help you to visualise your furniture projects using the latest 3D pCon software.

5-10 working days delivery cycle

Our 5-10 working days delivery programme allows us to deliver the majority of our product range during the week following order placement.

Dedicated support team

Every project is overseen by your named Internal Sales Manager who works closely with your Ocee Area Manager.

BIM/Revit, SketchUp, 2D and 3D CAD

Ocee Design provides all the resources you need to specify your project - everything is on the website www.oceedesign.com

End user information

Every Absolute Task Chair is delivered fully assembled with a quick set-up swing ticket guide. Operating instructions are available on our website as well as videos on good posture, the importance of movement to our health and wellbeing and simple exercises for the office.
