

# Venus

 4 weeks

 5 year warranty

## *Designed by Ocee*

Space saving dimensions combine with stylishly crisp modern design to make Venus the ideal compact tub chair for use in cafés, hotels and other leisure environments.

Both the diagonal and the curved chrome frame complement the curvature of the back to create a stylish and practical seating solution.

Dimensions (mm)

**VENUS1**

Tub Chair on 4 Angled Chrome Legs

**VENUS3**

Tub Chair on 4 Chrome Curved Legs

### *Measurements*

Measurements are approximate and may vary dependent on components used, which we reserve the right to change from time to time.

### *Warranty*

Soft seating products are provided with a 5 year warranty details of which can be downloaded at [www.oceedesign.com](http://www.oceedesign.com) or obtained by emailing [sales@oceedesign.com](mailto:sales@oceedesign.com).

### *Maintenance*

Please consult our Soft Seating Maintenance Guide at or [www.oceedesign.com](http://www.oceedesign.com) or contact [sales@oceedesign.com](mailto:sales@oceedesign.com) for details. For specific upholstery cleaning advice please see the relevant fabric supplier's website.

### *Materials*

#### **Wood**

All of the wood used in Ocee Design's soft seating products is sourced from managed forests. Timber supplied to Ocee Design is sourced only from countries whose governments follow statutory reforestation programmes to ensure the permanent availability of timber.

#### **Foam**

Soft seating products are manufactured with high quality cut Combustion Modified High Resilience Polyurethane Flexible Foam.

#### **Webbing**

Ocee Design use superior quality webbing in soft seating products.

#### **Adhesives**

Ocee Design aim to ensure that all adhesives used are water based and bio-degradable.

#### **Metal powder coating**

Powder coated frames and legs are treated with a paint classified as not dangerous according to the directive 1999/45/EC - nothing in the paint is classified as hazardous to health or to the environment.

### *Quality and Craftsmanship*

All Ocee Design chairs are built to the highest possible standards of quality and craftsmanship. Ocee Design are full members of the Furniture Industry Research Association (FIRA), and all of our products are designed and manufactured under ISO9001.

Ocee Design products generally meet the following standards:

BS EN 1021:1 1994 Fabric flammability (cigarette test)

BS EN 1021:2 1994 Fabric flammability (match test)

BS 7176: 1995 Fabric flammability low hazard

BS 5852: 1990\* Flammability ignition source 5

Flexible form CMHR foam flammability

\*Dependant upon use of specific fabrics

### *Environmental*

The operations carried out at Ocee Design are not considered to adversely impact on the environment, but nevertheless we have incorporated environmental protection procedures into our working practices. The Company plans, conducts and monitors its operations using the best practicable means to protect the environment from impairment. Ocee sends **0% waste** to landfill and has continually reduced energy consumption through constant resource monitoring.

The steps we take to remain at the forefront of environmentally friendly manufacturing and to provide customers with an assured, ethical source of supply are all described in our Environmental Policy which can be viewed on our website [www.oceedesign.com](http://www.oceedesign.com).

Ocee has achieved full accreditation under the Furniture Industry Sustainability Programme (FISP) and is quality assured organisation accredited to both ISO 9001 and ISO14001.

### *Separation/recycling of individual parts instructions*

Separate the chairs into parts. None of the parts in a chair can cause damage to health or the environment.

All metal and plastic parts can be disposed of and recycled by an approved environment and raw materials organisation.

Wooden materials can be recycled.

Foam can be recycled and crumbed for use in new foam products.

### *Furniture Recycle & Reverbish programme*

We offer customers the option of having old chairs professionally refurbished or disposed of in a sustainable and environmentally friendly manner. We work with partner organisations to support initiatives that enable old chairs to be reused by schools, charities and community groups.

### *Fabrics*

For information on individual fabrics please contact [sales@oceedesign.com](mailto:sales@oceedesign.com)

### *Testing*

Testing certificates and reports are available on request from [sales@oceedesign.com](mailto:sales@oceedesign.com)
